Question Re: Reorganisation of A H Dept structure Dept

Mysore Government Secretariat

File No. of 195 [App. F. III 2

2328 A & C

Serial No. 1

Creation of the Post of Deputy Dr of A H W.S.

(1) The following decision was taken at the time of discussions by the Inter State officers meeting.

(2) " Sri J. Muniappa, at Present off'g Dr of A H will work as Deputy Dr of A H W.S at B'lore Pending a decision re: the creation of the Post of Deputy Dr of A H W.S. by utilising one of the vacant Posts of Asst Drs. Asst."

(3) In Govt order of 18/10/56 issuing order re: re set up of sect veterin Depts it is said '.. Also having regard to the increased jurisdiction, one of the Posts of the Asst Dr ~~of Hd~~ Drs may be upgraded to that of a Deputy Director. This Deputy Dr will also be responsible for all developmental activities'.

(4) The DAH while recommending the creation of the Post of the Deputy Dr A H has not detailed either the jurisdiction work or the nature of work that the D.D. of A H have to do. He has mentioned only ~~that~~ about the grade Pay of the Post of ~~D.D. of A H W.S~~

To be given to me after his return from Bombay

II Creation of separate Section for Fishery Dept

i) It has been decided by the Inter-State officers Confce that a separate Dept of Fisheries be Constituted as it will be ~~be concerning~~ a very important industry of

Note.—Contn. Sheet

2 Reorganisation of Agl. Dept & Fisheries Dept 5

File No. of 195 . Mysore Government Secretariat

Serial No.

Source of income. Govt order of 18/10/56 directs that the constitution of a separate dept of fisheries is necessary. The fisheries staff coming from the Bombay & Madras states and the fisheries staff already in the Hd Qrs could be organised into this dept with a fisheries officer as the Hd of the dept.

ii) The fisheries officer has forwarded proposals for creating an independent dept of fisheries (vide flag F.).

iii) The proposal is for orders with the concurrence of the Chief Secy & FD Secy

RSR 16/4

5) A short note on fisheries in Mysore State is in flag 'O'. There is a clear case for a separate fisheries dept as we now have 200 miles coast line rich in fish with present output equal to one fourth of the output of India. In the interstate ministers' conference also, it has been decided to have a separate dept with a fisheries officer as head of the dept (flag M - para 4) Paper

The budget provision under fisheries is extracted & shown in flag 'Q' with a slight augmentation of office staff at Bangalore, a separate dept could immediately be formed & it will be convenient to exploit the source more effectively. In the meantime, the new Director has submitted that his designation may be "The Director, Animal husbandry and Fisheries" (C.Y. 37) Evidently, he desires to be the Head of the fisheries dept too. In view of the decision Govt has already taken, it may not be possible to consider the request of the new Director.

Reorganisation of A H Dept & Fisheries Dept 6

Mysore Government Secretariat | File No. of 195 . [App. F. III 2

2326 Rest.

Serial No. (6) The acceptance of the proposal will require decisions on the following points.

(1) Who should be the Fisheries Officer & what should be his scale of pay as Head of the Dept?

The two officers available are

(1) Shri H. D. R. Iyengar Mysore

(2) Shri V. V. Kalyani Bombay.

The service & qualifications of the two officers see pages N & R. Except the Shri H. D. R. Iyengar has Ph. D degree in Fisheries, in service, pay, age, and experience, Shri Kalyani case deserves better consideration. While one draws Rs 350/- in 200-15-350 scale, the other draws Rs 380 in scale 350-1150. As Head of the Dept, it may be reasonable to start on at least 600/- if not 800/- in which case the pump would be rather steep and it cannot be helped, if he is to be a Head of Dept. Financially if this is unacceptable, the Shetty should continue to be Head without any allowances.

826/HFA (2) Slight augmentation of office staff. i.e a couple of more clerks. This may not be difficult to provide.

(7) To sum up, approval may be given to

(a) The establishment of a separate Fisheries Dept.

(b) Appointment of Shri Kalyani as Fisheries Officer.

(c) Fixing the scale of pay of Fisheries Officer

(d) Appointment of extra clerical staff may be taken up after obtaining proposals from new Officer.

(8) The concurrence of F.D. is necessary.

Secy A H & F

6/12

Note.—Contn. Sheet

9) At the meeting of the Inter-State Committee of Ministers, held prior to the reorganisation of States, a decision was taken to create a separate department of Fisheries after the 1st of Novr. 1956 in view of the fact that about 200 miles of very valuable fishing coast line would form part of the territory of the New State of Mysore.

10) The activities of the Fisheries Department in the Old Mysore State were confined to the propagation of fresh water species in certain large tanks and ponds. There was only one gazetted officer in charge of the Fisheries Section of the Animal Husbandry Department. To carry out his functions over the entire territory of the Old Mysore State, he was assisted by officials of the Animal Husbandy Department, especially in the matter of supervision over subordinates of his Section who were scattered throughout the State. In the New State of Mysore, however, there are two very well-organised Fisheries Divisions, one in South Kanara and one in North Kanara, each under a gazetted officer. In addition, there are two posts at Headquarters, one of Assistant Director of Fisheries transferred from Bombay and the Fisheries Officer of the Old Mysore State.

11) The present Director of Animal Husbandry who is now in charge of the Fisheries is not in favour of creating a separate Fisheries Department. He refers to his experience in the Hyderabad State where the Fisheries Department had originally been separate from the Animal Husbandry Department and where the officer in charge had

Serial No.

had committed misappropriations in respect of departmental funds and where, generally, the administration of the Fisheries Department was unsatisfactory. He also urges that it would be difficult for the Fisheries Officers to exercise proper control over a large territory in the absence of suitable local gazetted supervisory staff. Whilst there is considerable truth in what the Director states, the unfortunate experience in Hyderabad should not deter us from creating a separate Department of Fisheries if the situation warrants. The mere fact that the Fisheries would form a Section of the Departmentof Animal Husbandry is no guarantee that there will be no misappropriation. The question is of the honesty or dishonesty of the officer in charge as in the case of all departments, and it is up to us to select a reliable officer.

As regards the work of the Fisheries Sectic it is incontrovertible thatit has increased very considerably and future plans also will call for considerable personal and immediate attention which the Director of Animal Husbandry, burdened as he is with the reorganisation and proper development of the Animal Husbandry Section in the New State, will notbe able to bestow. In fact, the submission of all schemes through him would act as a brake on the speedy submission of the proposals and their implementa tion.

As regards the supervision of the work of subordinates in the main fishing areas of the North and South Zones, there are two gazetted officers who are

are doing the work very satisfactorily. In respect of the inland water fisheries of the State we shall have to recast our policy. I would suggest that wherever there are large tanks and dams, such as the Tungabhadra Dam &c., we may have special non-gazetted officers in charge of local fisheries. In respect of other irrigation tanks, minor and major, it would be desirable for us to give only technical assistance and to supply spawn to persons or institutions interested in fisheries and to lease out the right of collecton to such persons or co-operative institutions. The seniormost officer at Headquarters could be appointed as Fisheries Officer in charge of the Fisheries Department and the junior officer could be appointed as Inland Fisheries Officer, and would be in charge of supervising the work, which he was doing previously. Except for some minor tanks in Dharwar District, the Thungabhadra Dam area and some activity in Coorg -- all of which, except at Tungabhadra Dam, is only on a very limited scale, there is restricted scope for further developments - beyond what was being done in the Old State.

In respect of the two officers at Headquarters Sri V.V.Kalyani would appear to be senior to Sri Iyengar, having been in gazetted service since 1946 and having held a Class I post since 1955. Sri Kalyani has also had very considerable experience in Fisheries for about 20 years. Sri Iyengar is, however, very highly qualified. The respective qualifications of the two officers are given below:--

Serial No.

2328
A & F

are given below:--

Dr. H.D.R.Iyengar.- B.Sc.,(Hons),Zoology, M.Sc., (Zoology), Ph.D.(Fisheries), Washington,U.S.A. The only Indian to possess the Doctorate Degree in Applied Fisheries. Selected as a Delegate of the Fisheries' Officers Delegation to Japan, 1956.

Sri V.V.Kalyani.- M.Sc.,B.T., Study Tour to England.

(15) As regards the pay of the New Fisheries Officer, it may be temporarily fixed either in his present grade or in that of the Deputy Director of Animal Husbandry. Shri Kalyani is in the grade of Rs.350 to 1100 and, in case this scale is deemed to be protected, he may be given the option of remaining in his present scale of pay.

16) If the proposal to have a separate Fisheries Dept is approved, the proposal with the working exp. through F.D.) 14/1

14

AFD 2 FSY 57

Bifurcation of Fisheries Dept.

28) It has been decided to bifurcate the Fisheries Dept from A.H. Dept. Orders are: Who is to take over the bifurcated dept have to be passed..

29) It has been suggested in the Council note that Sri V.V. Kalyani is shown as Senior in the inter State Seniority list and also the Pay to be given to the Head there Dept (Fisheries) and about the staff to the office also.

30) It is for orders whether detailed Proposals ~~from~~ DAH may be called for.

TSR
20/8/57

S.V. Prabhu
21.3.57

D.S.

31) The bifurcation of Fisheries Dept has been approved. The first step to implement the decision is to appoint the Head of the Dept, so that he may consider the state question and submit proposals for reorganisation of the Dept & also proposals under the Second Five Year Plan.

32) There are at present four Gazetted Officers in the Fisheries Dept viz

		Date of entry in Gazetted Service.	Scale of pay. Rs
Shri V.V. Kalyani	M.Sc. B.T. Study Tour to England. (Mangalore)	dt 25.9.46	350-30-650-40-1100
Shri G. Lakshminarayana Rao	(Mysore)	dt 25.2.46	230-30/2-290-40/2-500
Shri H.D.R. Iyengar	M.Sc. Ph.D. (Karwar)	dt 24.3.49	225-20-325-25-500
Shri A.G. Kalaman		dt 30.8.49	220-15-400-20-500-25-650.

Serial No.

33) There is a proposal to send Shri Kalyani to Bombay, but a final decision has not been taken there. The main reason for having a separate Fisheries Dept is to improve and develop marine fisheries for which 11.5 lakhs have been provided for 1957-58. Even if there is some reduction further, at least 8 to 9 lakhs have to be spent. In marine fisheries, Shri Kalyani has the best experience, having been in that line all these years. Besides, he is the senior most and has about 5 or 6 years to retire. The others are all below 40. It is, therefore, for consideration whether he can be appointed to be the head of the Department. The designation of the post may be "Director, Fisheries". In the Council Note a scale of 550-30-700-40-860 had been proposed. It is not clear if the Council has considered the point. As the maximum is over 700/-, if the F.D. agrees to the proposed scale, it will be referred for approval before the Chief Minister. If my above suggestion to appoint Shri Kalyani is approved, this also requires the approval of the Chief Minister. On appointment, Shri Kalyani will get Rs 550/- and he is now drawing Rs 350/- P.M. in the scale of 350-1100 and is already a Class I Officer.

34) The Director, Fisheries when appointed will be required to tour constantly. Hence a Head Quarters Gazetted Assistant (Technical) will

Note.—Contn. Sheet

OFFICE OF THE ... No..... 19 APR 1957 BANGALORE

will also be necessary. It is suggested that the scale of pay of the post ~~shall~~ may be 225 - 500 and one of the qualified Fisheries Inspectors may be appointed after obtaining the recommendation of the Director to be appointed. Mr. Chidambaram, the expert has suggested a Director, two deputy Directors, four Assistant Directors and four Mechanic Assistant Directors. This may be necessary when the work is in full swing.

35) In Mysore State had under this Department a skeleton staff of 1 clerk & one typist. From Bombay 1 typist, 3 clerks & 2 peons were allotted but only one clerk, one typist & 2 peons have come. The one clerk & one typist & one peon will be required by Shri Aiyangar as he will continue to be in charge of Inland Fisheries under the Director. It is difficult to estimate the staff requirements of Director now. But I feel, immediately, we may give an Asst Superd & Accountant on 120-220, one first Division clerk on 75-200 & two second Division clerks in addition to one typist & one clerk of Bombay. Further proposals may be invited from the Director.

36) To sum up the proposals are.

(a) Creation of a post of 'Director Fisheries' on 550-860 & appointment of Shri Kalenyani to the post.

(b) Creation of a post of Gazetted H.Q. Assistant (Technical) on 225-500)

(c) Creation of a post of Asst Superd & Accountant on 120-220, one 1st Division clerk & 2 2nd Division clerks.

(d) To grant Director powers of a Head of Dept & now exercised by the Superd of Gardens.

Note. I could not get the confidential record of Shri Otheri. They will be enclosed before Submission to Minister.

37) After concurrence of F.D, & the of Finance - Appr, case has to go to the C.M.

Secretary to Govt

Minister - 30/3

MYSORE GOVERNMENT SECRETARIAT

Department of Agriculture & Forest

Section Forest Section

Subject :—

Bifurcation of Fisheries Dept.

The issues arising out of the States Re-organisation in respect of the Animal Husbandry Department were discussed by the Secretary to Government, Home, Forest & Agri. Departments with the Director of Animal Husbandry services and the Fisheries Officer on 24-10-1956. In continuation of Government Order dated 18-10-1956 issued from the States Re-organisation Department the following further instructions are proposed to be issued to clarify the position:-

1) Orders in the Home, Forest & Agri. Secretariat would be issued ~~for~~ with the Dharwar and Hubli Scheme for Dairy Development to be placed under the administrative control of Professor of Dairying in the Agricultural College at Dharwar.

2) Pending upgrading the post of the Ranikhet Disease Investigation Officer, Sri Hardikar, Assistant Poultry Disease Investigation Officer from Bombay will be posted to work in the Serum Institute, Bangalore.

3) Sri Madhava Rao, Genetist from Hyderabad will be posted as such to the Serum Institute pending conversion of the post of the Nutritional Chemist which is at present vacant.

4) Sri J.Muniappa, at present Offg. Director of Animal Husbandry ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ will work as Deputy Director of Animal Husbandry and Veterinary Services at Bangalore pending a decision regarding the creation of the post of Deputy Director by utilising one of the vacant posts of Headquarters Asst.

FISHERIES SECTION.

The head of the Fisheries Department will be designated as Fisheries Officer and as to who should be the Fisheries Officer has to be determined by the States Re-organisation Department. Since there is

p.t.o

already a corresponding post of Fisheries Officer in the Mysore State in order to distinguish the two, the present post of the Fisheries Officer in the Mysore State would be designated as Deputy Fisheries Officer subject to the condition that it would not involve any financial ~~implication~~ commitment. The Headquarters of the Fisheries Officer and the Deputy Fisheries Officer will be at Bangalore and the Director of Animal Husbandry and Veterinary Services would provide the necessary accommodation for these Officers.

Staff for the Fisheries Department.

The present non-gazetted staff at Headquarters plus the non-gazetted staff coming from Bombay will be utilised to man the Fisheries Department in the new State.

Draft G.O. is put up for consideration in consultation with Secy, S.R.D & Chief Secy.

25/x

3 **PROFORMA.** Fisheries 22

PROFORMA I.

Proposals for absorbing the Non-Gazetted staff in the office of the Fisheries Officer, Bangalore.

Existing Non-Gazetted staff in the Office of the Fisheries Officer at Bangalore.	Non-Gazetted staff coming from Bombay to be absorbed. in the office of the Fisheries Officer, Bangalore.	Remarks.
1	2	3.
Research Assistants .. 2	Statistical Assistant (Vacant) .. 1 Statistical Investigator(do) .. 1	These two are technical posts and there is a necessity for filling them up as their services are required for compilation of fishery data. Hence, these posts may be retained.
Division Clerk .. 1 Typist .. 1 Laboratoryman .. 1 Field Assistant .. 1 Fishermen .. 2 Peons .. 2	**Junior Clerks:** .. .. 3 1. Sri P.C. Naik 2. " S.S.Kudupi 3. " M.N. Modak	All these three persons will be absorbed in the Office of the Fisheries Officer as the present clerical strength is very inadequate.
	Typist: .. .. 1 Sri M.V. Thrimbekkar	In view of the increased work in this department, there is necessity for absorbing this Typist also.
	Peons: .. .. 2 A.R. Khan P.V. Kindalkar	The Office of the Fisheries Officer has two peons; one attends to the office and the other is house orderly. Hence, the 2 peons coming from Bombay will be needed for the new office.
		In view of the fact that the fisheries activity is increased, the existing strength in the office of the Fisheries Officer is very inadequate. The 20% allotment formula cannot be applied in respect of the Fisheries department. In order to coup up of the immediate work, it is necessary to absorb all the Non-gazetted staff coming from Bombay.

Director, 30/6.
Animal Husbandry Services,
in Mysore, Bangalore 3.

7

ADMINISTRATIVE SET UP IN THE REORGANISED STATE.

The subject was discussed in the first instance with the Special Secretary, States Re-organisation and subsequently with the Chief Secretary designate on the 5th and 6th of this month. It was stressed by the Chief Secretary that the immediate problem is to provide for the Officers coming from the various integrating States and the question of reorganisation of t~~he Departments~~, each Department may be taken up later. It was also agreed that such of the Regional Officers both Gazetted and non-gazetted who have been allotted to this State will continue in their respective places and charges in which they are holding and the immediate problem will be only to provide those who are categorised as State-wide Officers.

GOVERNMENT GARDENS. No State-wide Officers are coming in respect of this Department and the Regional Officers coming from Coorg will continue in the respective areas.

ANIMAL HUSBANDRY. In respect of the Department of Animal Husbandry, apart from the Regional Officers, 2 State-wide Officers are assigned to Mysore. When it came to a question of showing places for these two Officers it was agreed that at present out of the 2 Headquarters Assistants to the Director of Animal Husbandry, one being vacant it may be converted into a post of Deputy Director of Animal Husbandry, since there are lot of schemes to be handled under the Second Five Year Plan and it was felt that the Deputy Director of Animal Husbandry may be solely placed in charge of developmental activities the present post of Ranikhet Disease Investigation Officer which is non-gazetted may be upgraded to fit in one of the State-wide Officers as he is a poultry man and since the post of a Nutrition Chemist which is a gazetted one is also at present vacant the other State-wide Officer may be absorbed in that vacancy.

As regards increase in the strength of non-gazetted

staff in the Head Office of the Director of Animal Husbandry it was tentatively agreed that as against the existing 27 the strength may be raised to 39 and if over and above, there is any surplus non-gazetted officer to be assigned from the other States, they may be absorbed in any one of the Circle offices and details regarding non-gazetted staff are not yet received from the various states.

In respect of Fisheries it was agreed that a separate Department of Fisheries be constituted as it will be a very important industry and source of income.

FOREST. In view of the increased area that is coming under the Forest Department it was agreed that 3 more Conservator Circles may be created. Therefore there will be 4 Circles of Conservators as follows:-

1) Shimoga (existing)
2) Belgaum (which is coming in).
   and the other two Circles to be created are one at either Coorg or Mysore depending upon administrative convenience and one other Circle at Bellary.

It was also agreed that as against one Technical Assistant and one Financial Assistant at the Head Office the number of Technical Assistants may be increased to 2 so that one Silviculturist from Bombay who is a State-wide Officer may be absorbed against this vacancy. So far as ministerial State-wide Officers, one Superintendent who is assigned from Bombay may be posted to any one of the new Circles.

Similarly the non-gazetted staff which may be coming over, for which details are not yet received may be first utilised to mann the Conservators Circles and if any left over, absorbed in the Head Office.

AGRICULTURE. In the Department of Agriculture 2 State-wide Officers from Hyderabad, 3 from Bombay in Class I have been assigned to Mysore. Out of the Bombay allottees the Livestock Expert being already working as O.O.D. in I.C.A.R. the question of providing him a place immediately does not arise with the

with the result only 4 Class I State-wide Officers have to be provided. It was agreed that in addition to the existing post of Deputy Director of Agriculture Headquarters, two more Circles, one for the Southern region and the other for the Northern region may be created and the 2 Officers from Hyderabad absorbed against these vacancies. As regards the other Officers from Bombay they may be posted as Superintendents of the Dasegur Farm and Siruguppa Farm. Bombay is sending out another 4 State-wide Officers one among them being a Mechanical Engineer, could be absorbed against the post of a Mechanical Engineer in the Food Production side and the post of a Statistical Officer assigned from Bombay is vacant and the other 2 officers are proposed to be absorbed in the Agricultural College. Similarly the non-gazetted staff that is coming over could be first utilised for manning Circle Offices and then later on in the Head Office.

As a working rule it was agreed, so far as non-gazetted staff is concerned that consequent on the increase in work, 20% increase in the staff, in relation to the existing staff be permitted.

Copy of letter No.T.2669/56-59 dated 22nd October 1956 from the Fisheries Officer, Animal Husbandry, Bangalore, addressed to the Director of Animal Husbandry Services in Mysore, Bangalore.

Subject:- Proposals for creating an independent department of Fisheries from among the staff coming from Bombay, Madras, Hyderabad, Coorg and Mysore as per the decision of Government conveyed in the G.O.No.G.S.4009-109-SRD.2-56-1 dated 18th October 1956.

With reference to the above, I write to state that the Chief Secretary in his letter cited above, has requested the Heads of departments to take action to implement the decision so that, the new set up will come into operation from 1st November 1956.

I am herewith submitting proposals for forming the department with immediate effect and request you to address government to communicate orders very early.

Head of the Department: The Head of the department is to be designated as "FISHERIES OFFICER" and the department is to be designated as "THE DEPARTMENT OF FISHERIES". The Fisheries Officer will be in-charge of the administration and technical work of the department will have jurisdiction over the fisheries in the entire state.

Powers of the Fisheries Officer: The Fisheries Officer will exercise all the administrative powers that are delegated to the Director of Animal Husbandry. As regards any special powers, proposals for the same will be submitted to Government as and when found necessary.

Headquarters: The Headquarters of the Fisheries Officer will continue to be located at Bangalore as he has to be in continuous touch with Government and other departments like; Revenue, Industries, Education, Co-operative, Forestry, Public Works Department and Police etc., for the effective administration of the department. There are responsible Gazetted officers to look after the regional day-to-day administration in the maritime districts of North Canara and South Canara. The Fisheries Officer has also a vast Inland Fishery area to administer and advise.

Headquarter staff: The existing office staff of the Fisheries Officer is composed of: one First Division Clerk and one ~~one~~ Typist-clerk. The two Research Assistants, one Field Assistant, One Laboratory man are also attending to routine office work. It is necessary to have more ministerial staff in the office of the Fisheries Officer. The Statewide ministerial staff coming from Bombay and other areas will be absorbed in the Headquarters establishment at Bangalore.

Deputy Fisheries Officer: There are two statewide officers of the Gazetted rank, viz., the present Fisheries Officer of Mysore State, who is the Head of the Fisheries administration and the Assistant Director of Fisheries, coming from Bombay. If one of these is to be made the Fisheries Officer, the other officer is to be provided for. Hence, the post of "Deputy Fisheries Officer" is proposed. The Deputy Fisheries Officer will assist the Fisheries Officer in all technical matters pertaining to fisheries in the new State of Mysore and his Headquarters will also be in Bangalore.

P.T.O.

ORGANISATION

1. South Canara district: The Assistant Director of Fisheries, Mangalore will continue to be in his present charge of fish curing yards, fishery Schools, fishery Demonstration Units, Fishermen Co-operatives etc. He will be directly responsible to the Fisheries Officer.

The Assistant Director of Fisheries in-charge of refrigeration plant and marketing will continue to be in his jurisdiction and is directly responsible to the Fisheries Officer.

2. North Canara district: The Superintendent of Fisheries, Karwar will be in over all charge of fisheries in North Canara, Belgaum, and Dharwar and he will be directly responsible to the Fisheries Officer.

3. Mysore prior to 1-11-1956 Hyderabad, Coorg and Kollegal: The Fishery establishments in the fishery divisions, in the above areas, will be incharge of the respective officers and they will be directly responsible to the Fisheries Officer.

The above proposals do not contain any items which involve any extra cost to Government, other than the committed expenditure in the various establishment coming from Mysore, Bombay, Madras, Coorg and Hyderabad.

I solicit early orders of Government in the matter.

"C O P Y"

CHP.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE

R e a d:-

G.O.No.S.S.4009-109/SRD 2-56-1 dated 18-10-56 issuing orders regarding the set up of the Secretariat and of the Department in the Reorganised Mysore State.

Order No.AF.

Bangalore, Dated,

As certain doubts have been raised in respect of the Government Order dated 18-10-1956 read above the following clarifications and instructions are issued:-

I. ANIMAL HUSBANDRY DEPARTMENT.

1. The Dharwar and Hubli scheme for Dairy Development is placed under the administrative control of Prof. of Dairying in the College of Agriculture, Dharwar.

2. Sri Madhava Rao, Genetist from Hyderabad is posted as such to the Serum Institute pending convertion of the post of the Nutritional Chemist which is at present vacant.

3. Sri Hardikar, Asst. Poultry Disease Investigating Officer from Bombay is posted to work in the Serum Institute, Bangalore, pending upgrading the post of the Officer incharge Ranikhet and Sheep Pox Vaccine.

II. FISHERIES:

1. The Fisheries section will function as a separate Department with effect from 1.11.1956. The Head of the Department of Fisheries will be designated as Fisheries Officer.

2. Powers of the Fisheries Officer:-

Fisheries Officer will exercise all the administrative powers that are deligated to the Director of Animal Husbandry and Veterinar Services i.e. to the Head of a Department.

3. Head Quarters:-

The Head Quarters of the Fisheries Officer will be located at Bangalore for the time being.

4. Organisation:-

The regional staff in the different regions will remain unchan

ADMINISTRATIVE SET UP IN THE REORGANISED STATE.

The subject was discussed in the first instance with the Special Secretary, States Re-organisation and subsequently with the Chief Secretary designate on the 5th and 6th of this month. It was stressed by the Chief Secretary that the immediate problem is to provide for the Officers coming from the various integrating States and the question of reorganisation of ~~the Departments~~, each Department may be taken up later. It was also agreed that such of the Regional Officers both Gazetted and non-gazetted who have been allotted to this State will continue in their respective places and charges in which they are holding and the immediate problem will be only to provide those who are categorised as State-wide Officers.

GOVERNMENT GARDENS. No State-wide Officers are coming in respect of this Department and the Regional Officers coming from Coorg will continue in the respective areas.

ANIMAL HUSBANDRY. In respect of the Department of Animal Husbandry, apart from the Regional Officers, 2 State-wide Officers are assigned to Mysore. When it came to a question of showing places for these two Officers it was agreed that at present out of the 2 Headquarters Assistants to the Director of Animal Husbandry, one being vacant it may be converted into a post of Deputy Director of Animal Husbandry, since there are lot of schemes to be handled under the Second Five Year Plan and it was felt that the Deputy Director of Animal Husbandry may be solely placed in charge of developmental activities the present post of Ranikhet Disease Investigation Officer which is non-gazetted may be upgraded to fit in one of the State-wide Officers as he is a poultry man and since the post of a Nutrition Chemist which is a Gazetted one is also at present vacant the other State-wide Officer may be absorbed in that vacancy.

As regards increase in the strength of non-gazetted

19

31/2

staff in the Head Office of the Director of Animal Husbandry it was tentatively agreed that as against the existing 27 the strength may be raised to 39 and if over and above, there is any surplus non-gazetted officer to be assigned from the other States, they may be absorbed in any one of the Circle offices and details regarding non-gazetted staff are not yet received from the various states.

In respect of Fisheries it was agreed that a separate Department of Fisheries be constituted as it will be a very important industry and source of income.

FOREST. In view of the increased area that is coming under the Forest Department it was agreed that 3 more Conservator Circles may be created. Therefore there will be 4 Circles of Conservators as follows:-

1) Shimoga (existing)
2) Belgaum (which is coming in).
   and the other two Circles to be created are one at either Coorg or Mysore depending upon administrative convenience and one other Circle at Bellary.

It was also agreed that as against one Technical Assistant and one Financial Assistant at the Head Office the number of Technical Assistants may be increased to 2 so that one Silviculturist from Bombay who is a State-wide Officer may be absorbed against this vacancy. So far as ministerial State-wide Officers, one Superintendent who is assigned from Bombay may be posted to any one of the new Circles.

Similarly the non-gazetted staff which may be coming over, for which details are not yet received may be first utilised to mann the Conservators Circles and if any left over, absorbed in the Head Office.

AGRICULTURE. In the Department of Agriculture 2 State-wide Officers from Hyderabad, 3 from Bombay in Class I have been assigned to Mysore. Out of the Bombay allottees the Livestock Expert being already working as O.O.D. in I.C.A.R. the question of providing him a place immediately does not arise with the

with the result only 4 Class I State-wide Officers have to be provided. It was agreed that in addition to the existing post of Deputy Director of Agriculture Headquarters, two more Circles, one for the Southern region and the other for the Northern region may be created and the 2 Officers from Hyderabad absorbed against these vacancies. As regards the other Officers from Bombay they may be posted as Superintendents of the Nagegur Farm and Siruguppa Farm. Bombay is sending out another 4 State-wide Officers one among them being a Mechanical Engineer, could be absorbed against the post of a Mechanical Engineer in the Food Production side and the post of a Statistical Officer assigned from Bombay is vacant and the other 2 officers are proposed to be absorbed in the Agricultural College. Similarly the non-gazetted staff that is coming over could be first utilised for manning Circle Offices and then later on in the Head Office.

As a working rule it was agreed, so far as non-gazetted staff is concerned that consequent on the increase in work, 20% increase in the staff, in relation to the existing staff be permitted.

OFFICE OF THE DIRECTOR OF
ANIMAL HUSBANDRY IN MYSORE,
BANGALORE-3

No. S.R.7-37/56-57 Encl.3.

Dated 24th Octr. 1956

From

Sri J.Muniappa, L.V.P., Assoc.I.D.I.,
~~B.Sc., K.V.M., S.D.A. (S.R.), F.I.A.S.(Pr.)~~),
Offg Director of Animal Husbandry in Mysore,
Bangalore.

To

The Secretary to Government of Mysore,
Departments of Home, Forest and Agriculture,
Bangalore.

SIR

Subject:— Reorganisation of the Department.

Adverting to G.O.No.S.S.4009-109-S.R.D.2-56-1 dated 18-10-1956, I write to state that I have already forwarded proposals regarding the appointment of Statewide officers from the integrating areas. I am, however, enclosing a copy of the same for your kind information and necessary action.

As regards the post of Deputy Director of Animal Husbandry, I have addressed a D.O. letter to the Special Secretary, States Reorganisation Department, a copy of which is enclosed herewith for your kind action. I would have addressed you first, but was under the impression that all correspondence regarding the reorganisation should be addressed to the Special Secretary, States Reorganisation Department. In this connection I request you kindly to fix up a grade suitable to the post of Deputy Director taking into consideration the following facts: (a) Several Regional officers allotted are in the grade pay of Rs.600/- and(b) two allotted officers in Statewide posts are in grade of Rs.1,100/-. In view of the fact that the Deputy Director will have to be responsible for all development works of the expanded Department, his grade may be fixed above the two grades. I am at present drawing Rs.840/- in grade Rs.800-40-1000 and the same may be suitably changed or altered to Rs.800-50-1200.

As regards the separation of the Fisheries Section in order to constitute it into a separate independent Department, I was given to understand that action may be taken to this end when the seniority or otherwise of the allotted Statewide officer from Bombay who is in grade 350-1100 is known. At present nothing is known of this officer.

However, I am enclosing a draft proposal prepared by the Fisheries Officer for the creation of a separate Department of Fisheries and action on the same may be taken as deemed fit by Government.

Yours faithfully,

J.Muniappa)
Offg. Director.

GOVERNMENT OF MYSORE.

OFFICE OF THE DIRECTOR OF
ANIMAL HUSBANDRY IN MYSORE,

Bangalore-3, dated. 23 Oct. .....1956.

D. O. No. S.R.7-37/56-57

Dear Sir,

Adverting to G.O.No.S.S.4009-109 S.R.D. 2-56-1 dated 18-10-1956, I write to state that the post of a Deputy Director has been created with effect from 1-11-1956. In the above Government order no pay has been fixed for this post and consequently there will be delay and trouble for the officer holding the post in drawing salary and allowances.

In this connection I write to invite your kind attention to the discussions held at the Residency on the 6th instant, wherein it was decided that the present officiating Director of Animal Husbandry should hold the new post of Deputy Director on assumption of the office of Director by Sri K.S. Setty from Hyderabad.

I am at present drawing a pay of Rs.840/- in grade 800-40-1000 and therefore request you to kindly see that my pay and prospects will not suffer due to change in the designation. For your kind information I may state that the incoming Director will be in grade Rs.1200 - 1400 and several Assistant Directors will be in grade of Rs.600/- and two officers who are allotted are in grade Rs.1,100/-. According to the decisions arrived, the Deputy Director will have to be responsible for all developmental activities of the enlarged State. These things may receive your kind and sympathetic consideration in fixing the pay of the post of Deputy Director of Animal Husbandry and Veterinary Services.

I once again request that this may receive your very kind and sympathetic consideration.

Yours sincerely,

Sd/- J.Muniappa

Sri S.Muninanjappa, I.A.S.,
Special Secretary to Government,
State Reorganisation Department,
Bangalore.

Inspector of Fisheries, Malwan.	1-7-1936

FISHERIES IN MYSORE STATE

With the acquisition of a coastal stretch of over 200 miles, Mysore state becomes an important maritime province. Consequently, fisheries, as an industry, occupies an important place in the economy of the state. The present Marine fish production in North Kanara and South Kanara districts is estimated, at 1,55,000 tons, as against the total production of 5,66,000 tons, in the whole of India. The Kanara coast is the richest fishery belt in the entire peninsula. At present, the fishery is in an under developed state. If the fishing industry is organised, on more modern limes, there is every possibility of increasing the production by 5 times.

Marine fisheries:

The status of the industry at present, is as follows:

1.	The value of fish production:	Rs. 1,10,00,000
2.	Value of fish exported:	83,00,000
3.	No. of fishermen activity engaged in fishing.	20,000
4.	No. dependent on fishing industry.	1,23,000
5.	No. of fish curing yards	51
6.	Production from fish curing yards	80,00,000 tons
7.	Fish meal and fish oil plants ..	20
8.	Ice pak plants	4
9.	Refrigeration plant	1
10.	Fishermen co-operatives	80
11.	Subscribed capital in co-operatives	Rs. 5 lakhs.
12.	No. of fishery schools	33

Pl. See A.F.D. Pl. [illegible] [illegible] 14/11.

Inland Fisheries:

Fresh water fisheries have a great importance in the development of village food resources. As such, it should also occupy a prominent place in the development of rural economy.

Mysore state being strategically situated on the Deccan plateau, is blessed with important river drainages, a system of tanks and big reservoirs. The total area available for fish culture is over 10 lakhs of acres.

1.	Minor tanks (50-300 acres of waterspread).	20,000
2.	Small short seasoned ponds (1-5 acres) ..	40,000
3.	Major tanks (300-1000 acres) ..	4,000

30 39

4.	Multi purpose projects	20
5.	Miles of rivers	3,000 miles
6.	Present estimated output of fish..	10,000 tons
7.	Potentialities of the waterspread.	150,000 tons
8.	No.of fish farms	12
9.	No.of fish fry stocked annually.	20 lakhs
10.	No. of fresh water fishery Research stations:	1
11.	No. of fishery divisions. . ..	10

The present staff administering the fisheries in the entire state, is composed of over 500 officers, distributed in selected areas in North Kanara, South Kanara, Coorg and existing Mysore.

There is an immediate necessity for reorganising the present fisheries section along with the incoming staff and evolving out of it, a well-knit administrative unit for shouldering the proposed fisheries development under the II Five Year Plan. In this connection, reference is invited to the timely advice given by Hon. Sri P.S.Deshmukh, Minister for Agriculture, Government of India, at the All India Fisheries conference held at Madras on 19-9-56, wherein, the Hon. Minister has recommended the state governments.

"That for accelerating activity and better co-ordination, it will be advisable for the state governments to set up independent departments for fisheries, where they do not exist already"

Most of the mari-time states like West Bengal, Orissa, Bombay and Kerala have independent departments of fisheries, headed by technically qualified men. In view of the fact that the fishery resources in Mysore state are second to none of the above states, the necessity for setting up a full fledged fisheries organisation, directly dealing with Government, need hardly be stressed. With a total staff of about 500 and budget allotment of 15 lakhs, the proposed fishery department of Mysore state can be compared with the Fisheries Department of Bombay state, which prior to merging of Saurastra, Marathawada and other areas, had 360 staff and a budget allotment of 14 lakhs of rupees.

9 NOV 1956

THE SECRETARY TO THE GOVERNMENT OF MYSORE,
Home, Forest & Agriculture Departments,
Bangalore.

SIR

Subject:— Nomenclature of the Department of Animal Husbandry & Veterinary Services - change in - suggested.

I invite your kind reference to Government Notification No.S.S.6239/S.R.D.3/56/13 dated 1st November 1956 appointing me as Director of Animal Husbandry Department & Veterinary Services, Government of Mysore, and to state that the name "Animal Husbandry" includes Veterinary Services also and hence the suffix "Veterinary Services" to the former appears to be superfluous.

In this connection I may state that the Fishery Section is being administered by the Director, Animal Husbandry Department and it seems to me that the designation of this Department may be suitably altered to include this also as is the case in some other States.

I, therefore, suggest that the nomenclature of the Department as "The Department of Animal Husbandry & Fisheries" and the designation of the head as "The Director, Animal Husbandry and Fisheries". If this suggestion is approved, necessary action may ~~will~~ be taken to issue the notification accordingly.

Yours faithfully,

(K.S. Shetty)
Director,
Animal Husbandry & Vety.Services.

A/J.

GOVERNMENT OF MYSORE

STATE REORGANISATION DEPARTMENT

G.C.No.S.S.4009-109-S.R.D. 2-56-1 dated 18th October 1956.

Set-up of the Secretariat and of the Departments in the Reorganised Mysore State - Issues orders regarding --

---

Order No.S.S.4009-109-S.R.D. 2-56-1 dated Bangalore, the 18th October 1956.

Consequent on the Reorganisation of the State, the volume of work in the Secretariat and in all the Departments will increase considerably. With a view to providing for this increased work, the set-up of the Secretariat and of the Departments require to be reviewed and suitably augmented. The matter was discussed with the Secretaries to Government and the Heads of Departments. The proposals drawn up following these discussions were placed beforex the Inter-State Committee of Officers and of Ministers. The Administrative set-up of the Secretariat and of the Departments as approved by these Committees is incorporated in the annexure.

The Heads of Departments and the Secretaries to Government are requested to take immediate action to implement the decisions as detailed in the annexure.

The new set-up will come into operation from 1st November 1956.

Sd/- N. Puttarangaswamy.
Chief Secretary to Government.

To

The Heads of Departments etc.,

p.t.o.

XVII. DEPARTMENT OF ANIMAL HUSBANDRY.

The Department of Animal Husbandry will be designated as Department of Animal Husbandry and Veterinary Services and will cover the whole State. The Regional Staff in the different Regions will remain unchanged. The State-wide Officers coming can be absorbed in the Headquarters organisation. For this purpose, it will be necessary to upgrade the existing Non-gazetted Post of 'Raniketh Disease Investigator' to the Gazetted Post of Poultry Disease Investigator. Also having reggrd to the increased jurisdiction, one of the posts of the Assistant Director at Headquarters may be upgraded to that of Deputy Director. This Deputy Director will also be responsible for all developmental activities.

2. The Dharwar and Hubli Scheme for Dairy Development may be placed under the administrative control of Professor of Dairying in the Agricultural College at Dharwar.

3. The Headquarters Organisation may be increased by 12 Non-gazetted staff. Six persons who are surplus will be provided in other Departments.

4. The constitution of a separate Department of Fisheries is necessary. The Fisheries staff coming from the Bombay and Madras States and the Fisheries staff already in the Headquarters could be organised into this Department with a Fisheries Officer as the Head of the Department.

....

COUNCIL NOTE

Sub:- Bifurcation of Fisheries Department.

Extract in Flag 'Y'

Government Order dated 18-10-1956* directed that the constitution of a separate Department for fisheries was necessary. This direction was the result of the meeting of the Inter-State Committee held prior to the reorganisation of States.

The activities of the Fisheries Department prior to 1-11-1956 in the old Mysore State were confined almost exclusively to the propagation of fish water species in larger tanks and ponds. In the New State there are in addition to Tank Fisheries, two very well organised Fisheries Divisions, one in South Kanara and one in North Kanara with a coast line of about 200 miles rich in fish. It is accepted that there is considerable scope for improving the Marine fisheries of New Mysore State and to some extent the Inland Fisheries also. The work of the Fisheries section in planning the development of Marine and Inland fisheries under the advice of F.A.O. experts and experts of Government of India, will involve in a considerable increase of work and responsibility requiring personal and immediate attention. The Director of Animal Husbandry and Veterinary Services who has to manage 19 districts and carry on developmental activities in respect of the Department under the Second Five Year Plan has more than sufficient responsibilities in respect of these dpeartments and it is considered that attaching the Fisheries section to the Deputy Director of Animal Husbandry would not be conducive to efficiency. Hence Government may formally decide to create a separate Department of Fisheries.

With the bifurcation of the Fisheries from the Animal Husbandry Department, the question

question of posting the Head of the Department will have to be decided.

Prior to 1-11-1956 there was one Gazetted Officer who was in charge of the entire fisheries work in the State. He was assisted by officers of the Animal Husbandry Department and a number of Fisheries Inspectors, distributed throughout the State. In the Marine Fishery area, ie., in South Kanara and North Kanara, there are two gazetted officers designated as Assistant Director of Fisheries and Superintendent of Fisheries respectively. In addition, a gazetted officer of the Class I cadre has been allotted to Mysore State from Bombay, and is now working at Head-quarters.

There are 4 gazetted officers in the Department. In the tentative seniority list they are shown as follows:-

1. Shri V.V.Kalyani,
2. Shri G.Lakshminarayana Rao,
3. Dr. H.D.R. Iyengar
4. Shri A.G. Kalavar.

The fourth Shri A.G.Kalavar is likely to return to Bombay shortly.

As regards the pay to be given to the Head of the Fisheries Department, the grade pay given to the Deputy Director of Animal Husbandry in the revised grade 550-30-700-40-860 is suggested. The immediate increase in expenditure will be in giving the minimum of Rs.550/- to one of the ~~two~~ clerical officers and also the addition and after some time some on account of ~~the addition of two or three~~ a small increase ~~addition (2or 3) of clerical staff will also be necessary~~. in clerical staff.

The Director of Animal Husbandry and Veterinary Services who was consulted in the matter is not in favour of creating a separate department for Fisheries. But the reasons he has adduced for the retention of

this work in Animal Husbandry Department are not convincing. He feels that the work of the Department in the Inland Districts can be best supervised by the Officers of the Animal Husbandry Department and that it is advisable to have a senior officer in charge in view of the unfortunate experience in the former Hyderabad State when the Department functioned very inefficiently under a separate officer. The main fact that a senior officer is appointed is no guarantee of efficient working. As already stated the hands of the Director of Animal Husbandry are already too full to bestow the requisite attention on the Fisheries section. He has also already separately asked for an allowance of Rs.100/- per mensem for being in charge of Fisheries section.

The Minister for Agriculture has ordered on 1-2-1957 that the matter may be referred to the Council of Ministers. The Chief Minister also has ordered on 9.3.1957 that the matter may be referred to the Council of Ministers.

Secretary to Government,
Home, Ft. & Agri. Departments.

Sub:- Director of Fisheries - Appointment ~~of~~ to the post

.....

Sir,

I am directed to state the activities of the Fisheri Section in the old Mysore State were confined to the propagation of fresh water species in certain large tanks and ponds. But with the reorganisation of the States the new State of Mysore acquired a large coastal line and two very well organised Fisheries Divisions - one in the South Kanara and the other in North Kanara - came to the new State. The work of the Fisheries Section in planning the development of Marine and Inland Fisheries of the New State under the advice of the F.A.O Experts and Experts of the Govt. of India increased and consequently Government in their order No.AFD 2 FSY dated 1st May 1957 created a seperate Department known as the Department of Fisheries.

I am also state that Shri V.V. Kalyani, M.Sc., B.T. has been appointed in anticipation of the approval of the M.P.S.C. to officiate as Director of Fisheries w.e.f. on 2nd May 1957. Shri Kalyani is a Class I Officer allocated from Bomb to the New State of Mysore. He has a varied experience for about 10 years in the management of Marine Fisheries and has undergone a study tour in the United Kingdom. He is also according to the provisional Inter-State seniority list published by the Government of Mysore is the seniormost officer in the Fisheries Department. confidential record which is forwarded herewith is quit good and speaks very well about the caliber and varied experience of the officer. Government therefore consi

him as the most suitable officer to manage the Fisheries Department and accordingly appointed him as the Director of Fisheries.

I am in the circumstances to request you to be so good as to move the Commission to approve the appointment made by the Government in anticipation of the concurrence of the M.P.S.C. ~~Commission~~ and communicate to Government the approval of the Commission to the said Appointment.

The confidential record of Shri Kalyani may kindly be returned when done with.

Yours faithfully,

Secy. to Govt.,
Agriculture & Forest Deptt.

Subject: Director of Fisheries - Appointment of to the post of -

Sir,

I am directed to state that the activities of the Fisheries Section in the Old Mysore State were confined to the propagation of fresh water species in certain large tanks and ponds. But with the reorganisation of the States the new State of Mysore acquired a large coastal line and two very well organised Fisheries Divisions - one in the South Kanara and the other in North Kanara - came to the new State. The work of the Fisheries Section in planning the development of Marine and Inland Fisheries of the New State under the advice of the F.A.O. Experts and Experts of the Government of India increased and consequently Government in their order No. AFD 2 FSY 57 dated 1st May 1957 created a separate Department known as the Department of Fisheries.

2. I am also to state that Shri V.V. Kalyani, M.Sc., B.T., has been appointed in anticipation of the approval of the Mysore Public Service Commission to officiate as Director of Fisheries with effect from 2nd May 1957. Shri Kalyani is a Class I Officer allocated from Bombay to the New State of Mysore. He has a varied experience for about 19 years in the management of Marine Fisheries and has undergone a study tour in the United Kingdom. He is also according to the provisional Inter-se seniority list published by the Government of Mysore the senior-most officer in the Fisheries Department. His confidential record which is forwarded herewith is quite good and speaks very well about the calibre and varied experience of the officer. Government therefore considered him as the most suitable officer to manage the Fisheries Department and accordingly appointed him as the Director of Fisheries.

3. I am in the circumstances to request you to be so good as to move the Commission to approve the appointment made by the Government in anticipation of the concurrence of the Mysore Public Service Commission and communicate to Government the approval of the Commission to the said appointment.

4. The confidential record of Shri Kalyani may kindly be returned when done with.

Yours faithfully,

Secretary to Government,
Agriculture, and Forest Department.

SIR,

Subject: Director of Fisheries - Appointment to the post of -

Reference:

With reference to your letter No.AFD.2 FSY dated the 23rd August 1957 regarding the appointment of Sri V.V.Kalyani, M.Sc. B.T., as Officiating Director of Fisheries with effect from the 2nd May 1957, I am directed to say that, in the circumstances explained in the letter cited, the Commission agrees to the appointment of Sri Kalyani as Officiating Director of Fisheries, only on a tentative basis subject to the condition that the same is reviewe immediately after finalisation of the Inter-State Seniority List of the Fisheries Department.

The Commission, however, observes in this connection that Government should have consulted it before actually promoting Sri Kalyani to Officiate as the Director of Fisheries.

The Confidential Personnal File of Sri Kalyani is returned herewith, receipt of which may please be acknoweldged.

Yours faithfully,
